- Strengthen people, processes, and decision-making.
- Build continuity while protecting business value.

## Why Grace?

With experience in financial analysis, risk management, marketing, healthcare, and technology, Grace LaConte brings a cross-functional perspective to privately held businesses. She helps leaders see hidden friction, strengthen performance, make clearer decisions, and build more profitable, valuable, resilient businesses.

Her approach: *You Can't Fix What You Can't See.*

## What Audiences Walk Away With

#### A New Lens

→ See what may be hidden beneath the surface.

#### Practical Tools

→ Apply simple frameworks to real decisions.

#### Better Questions

→ Uncover what the numbers may not reveal.

#### Clearer Priorities

→ Focus on what matters to profitability & value.

#### Actionable Next Steps

→ Turn insight into practical action.
